

As our pastors preach through the book of Mark from fall 2023 through spring 2025, we are going through a Bible Reading Plan of the four gospels in the chronological reading of the life of Christ. We are using a thematic approach that correlates teaching and events found in *Ariel's Harmony of the Gospels* by Dr. Arnold Fruchtenbaum, TH.M, PH.D. Luke is the only gospel writer who claims to write the events and teachings of Jesus' life in chronological order (Luke 1:1-4), so this plan follows Luke's order. Other gospel writers wrote mostly in chronological order, but sometimes they deviate from that in order to teach their theme more directly.

*Ariel's Harmony of the Gospels* integrates each day's reading in interlinear Bible formatting, which will make it easier for you to follow the Bible Reading Plan.
